

# Wooding-Scott<sup>®</sup> Drainage/Irrigation Kit

**Convenience Kit Designed for Drainage/Irrigation**

## Wooding-Scott<sup>®</sup> Drainage/Irrigation Kit Contains

- Drainage/Lavage Tube
- Opsite<sup>®</sup> cover dressing
- Towel
- Tubing clamps
- Connector and Tubing
- Scissors
- Impregnated Gauze

Finally....

There is a choice in drainage/irrigation products for nurses and doctors. By combining commonly used components for wound drainage and irrigation, now a convenience kit is available for doctors and nurses to drain and irrigate those difficult wounds. The kit is very economical as well and may assist in reducing overall hospital expenses associated with these difficult wounds.
